

In Search of Lost

Wasted moment,

Erase me.

Erase me.

Erase me.

Good bye.

Good bye.

Good bye.

I once heard about the story
of a Marcel, in search
of lost

I never read. I will never read.
My life is lost. Lost. Lost. Lost. Lo

Where is the
Give me
The time never

Such is the
Once
In

Love.
Love.
Sadness.
